

Microsoft Renews iqDynamics Pte Ltd as Microsoft Gold Independent Software Vendor

SINGAPORE – 9 Feb 2012 – iqDynamics Renewed as Microsoft Gold Independent Software Vendor

In Feb 2012, iqDynamics received renewal as a Microsoft Gold Independent Software Vendor (ISV) for 2012, demonstrating a “best-in-class” ability and commitment to meet our customers’ evolving needs in today’s dynamic business environment.

Attaining the Microsoft Independent Software Vendor (ISV)/Software competency demonstrates partner expertise in developing applications based on Microsoft solutions. Equipped with exclusive training, the latest software, and support on Microsoft SQL Server, Windows Server, Windows 7 and Microsoft cloud services, these partners are equipped to develop innovative solutions to meet their customers’ needs.

As a pioneer in providing Human Capital Management Solutions, Talent Management Solutions, Campus Management Solutions and Club Management Solutions, iqDynamics recognizes the importance of providing customized solutions and value-added services and support to our customers.

“By achieving a gold competency, partners have demonstrated the highest, most consistent capability and commitment to the latest Microsoft technology,” said Jon Roskill, corporate vice president, Worldwide Partner Group at Microsoft Corp.

Being renewed as a Microsoft Gold ISV puts iqDynamics in the top 1 percent of the Microsoft partner ecosystem, and ensures that our proficiencies and capabilities will help our customers drive success with innovative solutions.
