

“E-leave module – It’s extremely easy to use and user friendly. You can apply anywhere and the beauty of it is the email notification where all relevant parties are kept informed. Gone are the days where leave forms are left stranded and forms get lost in transit. The e-leave calendar is also a good movement chart. It is a breeze for HODs as they can cross check before approving a particular leave application.”

“After Sales Service – Very friendly After-Sales service. Good customer service mindset. Well Done and Keep Up the Good Job !”
